RECEIVED

Sir:

Enclosed please find a copy of the updated Filing Receipt (Confirmation No. 9159) that was received by the undersigned representative in connection with the matter identified above. Also enclosed is a copy of the formal papers as filed to complete the filing requirements for the present case, and the copy of the postcard evidencing receipt by the PTO of these papers in connection with the present application.

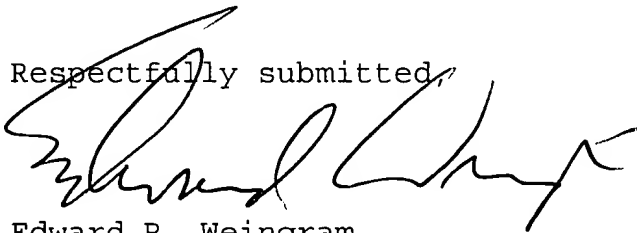

It respectfully is requested that the Section on the Receipt entitled "Foreign Applications" be amended as per the red ink correction, i.e. removing the reference to the Japanese application

in its entirety. This is because the Declaration as filed by inventor Momosaki did not claim priority to any application, Japanese or otherwise.

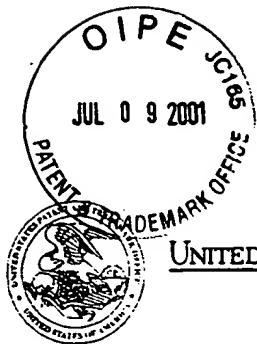

It respectfully is requested that the records of the USPTO be amended for the present application and a corrected Filing Receipt be mailed to the undersigned incorporating said requested correction.

Dated: 1/6/81
